#### Verse(s)

#### Point

- |         |  |
|---------|--|
| 1 - 4   | <b>1.</b> A Christian on Fire will take time to disciple new or younger believers. They will make sure they are being taught accurately and correct any incorrect teachings.   |
| 5 - 7   | <b>2.</b> Those who want to be a Christian on Fire must be willing to make the appropriate changes to lifestyle or do what is doctrinally correct when they learn what God expects. They will not keep doing what is against scripture or avoid doing what they are commanded by scripture once they are taught what is right. |
| 8       | <b>3.</b> A Christian on Fire will stay in one area as long as the Lord leads to help reach people for the Lord. They will keep using God's Word to witness to people.   |
| 9 - 10  | <b>4.</b> A Christian on Fire will expect opposition to arise when they are following the Lord and witnessing to others. They will not give up, but continue witnessing until the Lord moves them on.  |
| 11 - 12 | <b>5.</b> A Christian on Fire may receive unique gifts to testify to God's power to win the lost to the Lord.  |
| 13 - 14 | <b>6.</b> A Christian on Fire will come across con artists while they are faithfully serving, who will try to use Jesus' name for their own personal gain or fame.   |
| 15 - 20 | <b>7.</b> God can take good from the bad that others are doing. He took the incident with the evil spirit and used it as a testimony to His power and brought many to know Him as a result. The magic of the area was seen for what it really was.   |
| 21 - 22 | <b>8.</b> A Christian on Fire can have a strong burden laid on His heart by the Lord to bring about God's purpose. A Christian on Fire will have good strong Christian Friends to work along side them and encourage them when it is needed.   |
